Dearest Family, Seems you're having  
nice summer here. again at temp  
of 85° in L.A. Still a little chilly here,  
but beautiful after about a nice 2"  
snow fall, which helped the dogs  
mushers in their last day of racing.  
Very exciting & a person could love  
every dog racing & still feel so sorry  
for them. Sending you the  
Official "fur rendezvous" program.  
Coop didn't get to see any of the  
races, etc. Taking part in this  
"North Star maneuver" - entire  
base is, so he's working overtime  
since the crew is such a vital part.  
Guess ~~not~~? Corky wrote & wants to  
visit us this summer! We have no  
place for her here in our tiny apt.  
& it will be probably June or July  
before we move onto the base - &  
I do want to make it home in  
Aug. for the 50<sup>th</sup>, so don't know wot  
to tell Corky. More later. Love The Esquimaux  
xxx
